

## Cocos Island Itinerary

Cocos Island National Park was designated a World Heritage site by UNESCO in 1997. Weather permitting, OKEANOS AGGRESSOR I® guests are shuttled ashore to hike through the jungles of Cocos and swim in her many waterfalls. All ten-day trips offer seven days of Costa Rica liveaboard scuba diving.

## 10 Nights' - Sample Itinerary

Day 1 - Meet in front of host hotel (See last page of "Know Before You Go" for pick up time). Transfer to Puntarenas for boarding and departure for Cocos Island.

Day 2-3 - Arrive to Cocos Island, diving begins.

Day 4-9 - Eat, Sleep & Dive.

Day 9-10 - Travel back to Puntarenas.

Day 11 - Check out at 7 am and transfer to San Jose Airport or host hotels.

## Cocos Top Dive Sites

### Alcyone

A 600' long submerged mountain, the top of the mountain is 75' from the surface. Schooling Hammerheads, Mantas and schooling fish. Possible Sailfish or Marlin.

**Big Dos Amigos**

This islet features a 45-foot-high arch and 60-foot pinnacle off the southeast side. Look for Rainbow Runners, Yellowtail Snapper, Bigeye Jacks and lobster. Hammerheads swim between the pinnacle and arch.

**Bird Island, Chatham Bay**

Dived from Chatham Bay, southeast of Manuelita, this site provides a variety of marine life including Frog Fish, lobsters, morays, rays, White Tip Sharks and Hammerheads. There is even a cleaning station.

**Dirty Rock**

A large island with schools of Marble Rays and Hammerheads.

**Lone Stone**

Schooling Marble Rays and Mobula Rays.

**Manuelita**

The northeast corner has asheer wall. Lots of White Tips, Marble Rays and schools of Creoles.

**Ubing Rock, Wafer Bay**

This 300' rock begins at 20' and drops to a 110' sandy bottom. The southeast slope attracts schooling Hammerheads.

**Special Sightings**

Whale Sharks, mating Eagle Rays, Sail Fish, mating White Tip Sharks, False Killer Whales.
